Accredited Since
1973

THE FOX SCHOOL OF BUSINESS

TEMPLE UNIVERSITY

POST MBA CERTIFICATES

The Fox School's Post MBA Certificates are designed for today's manager who wishes to develop an enhanced expertise in a particular business discipline. Enrollment is limited to individuals who already possess an MBA degree from a business school which maintains accreditation from AACSB, International. Certificate candidates enroll in upper level MBA and MS courses alongside current MBA and Master of Science students at the Fox School of Business. Instructors are drawn from the Fox School faculty whose research ranks in the top 1% of research citations in business and economics by the Institute for Scientific Information.

The certificates consist of 4 three credit courses at the advanced level and will be awarded in any one of the following areas of study:

Accounting and Financial Management
Actuarial Science
Finance
Economics
General and Strategic Management.
Healthcare Management

Human Resource Management
International Business Management
Management Information Systems
Marketing
Risk Management
Statistics

Another option is to combine a selection of four courses from any of the subjects listed above and receive a certificate in Business Management

Classes are offered at Temple University's Center City and Fort Washington campuses with limited class offerings at Main Campus in North Philadelphia. Because eligible candidates have received their MBA degree from an AACSB, International accredited institution, the GMAT examination is not required. Please visit the AACSB, International web site www.aacsb.edu for a list of accredited business schools

Application Process

All applicants must provide the following information to be considered for admission:

Application Form
Official Transcript from the MBA degree granting institution
Professional Resume
Statement of Legal Residence form

Applications will be accepted on a rolling basis and classes can be taken in the fall and spring semesters as well as the two summer sessions.

Materials should be sent to:
